WHEN SOPHIE MET SOPHIE!

Good heavens! It's Ms Howard and Ms Reade, together and topless!

What happens when you put two Sophies in a room together? They both lose their tops, that's what! And luckily, *Nuts* was there to capture this natural reaction in all its boob-tastic glory. Gents, we bring you Ms Howard and Ms Reade, together for the first time. We think we need a lie-down!

Hi Sophies! Which are best – brunettes or blondes?

Howard: Brunettes, of course! We're cute but we're also really naughty. Blondes are sweet and innocent, and they're alright for a one-time thing like dressing up as a schoolgirl, but brunettes are the really naughty ones!

Reade: No way! Blondes are a lot more fun and everybody

knows it. We stand out in a crowd and know how to have a good time, so what's not to like? And everybody knows blondes are the naughty ones!

Howard: I must admit, I did try to dye my hair blonde once, but it only got as far as ginger! And I've tried to bleach it as well, but it looked awful! So I'm sticking with the brunette locks for now.

What's the naughtiest thing you've ever done?

Howard: I once, erm, "got fruity" with a bloke and a dildo. And let's just say it was me who was in charge. I had to dump him the next day because I felt like he was my b*tch! You should never let me have the upper hand.

Reade: Oh my God! I'm not sure I can match that, although I do ➔

have a habit of stripping naked after a few drinks. I remember one time, I was leaving a club and there was a car coming, so I bent over and flashed at it. It turned out to be a police car! They stopped and threatened to arrest me for indecent exposure, but I think they liked it secretly!

We reckon Sophie Howard just pips it on the naughtiness front. Sophie Reade, it seems like only two minutes ago that you won *Big Brother*. Was it hard coming back into the real world?

Reade: It was weird because when you're in there, you don't have a clue what's going on in the outside world. Then you get out

"I think the BB makers thought I'd get naked!" Sophie R

and there aren't people doing everything for you any more. But it was fun coming out because we got to go clubbing every night and it felt like everything was new again, as it was so long since we'd last done it. It was great!

Howard: I was talking about this with my friends the other day, and I reckon I'd be chucked out of the house within a day! I'm always saying the wrong things – especially when I've had a few drinks – so I'd be sure to offend someone. There'd be "We Hate Sophie Howard" groups all over the internet within seconds!

How did you resist the urge to whip out your boobs all the time in the house? Were you warned by the show's producers that it would make it an unfair contest because all the viewers would vote for you?

Reade: No, not at all! In fact, I think the only reason I got into the house was because they thought I'd get naked! They filmed us before we went in and they asked me if I'd get naked. I said, "Yeah, of course. I love getting naked!" And when we were in hiding just before we ➔

went into the house, one of the cameramen came over and filmed me sunbathing naked. I'm not sure what happened to that tape. Someone, somewhere has a video of me naked!

Howard: I think I'd find it a struggle to stop myself getting jiggy in there. It would depend on how sexy the other housemates were, but if there was nobody in

the house who was worthy of a fumble under the covers, I think I'd just have to nip off to the toilet or shower for a little "me time". A girl needs to pamper herself, you know!

If you could pick any girl to share a bed with you, who would it be?

Howard: Well, it would have to be a brunette, of course! I saw the new girl, Holly, in *Nuts* "new

boobs" shoot the other day and she's hot. I certainly wouldn't mind her jumping into bed with me. She has a great body and sexy eyes, too. So if you could set that one up, I'd be very happy!

Reader: It would have to be a sexy blonde girl. Maybe Jessica Simpson. She's gorgeous and she has such a sexy, curvy body – lovely big boobs and a nice round

bum as well. Actually, yeah, I've decided I'd definitely like a naughty night with Jessica! But from what we hear, **Sophie Reade**, you might already have a bed-mate – aren't you dating Gary Lineker's son, George? **Reade:** No! He's just a good friend of mine. We get on really, really well and have a laugh together, but we're not dating.

Howard: Did you mistake him for his dad? His dad's very good with the ladies – his wife is hot! **Reade:** Not at all! I didn't even know who his dad was when I first met George. It was in a nightclub and it was dark – but I admit now that he does look a lot like his dad. We try not to talk about it because I think he gets fed up with people always

coming over to him and wanting to talk to him about his dad, or asking him to pass messages on. **This is your first shoot together. Was it the most amazing boob-filled day you've ever had?** **Reade:** It was great! I really enjoyed today. She's absolutely gorgeous and it's not a bad way to spend a day, is it? Just getting naked with a sexy girl and having

your photo taken – it really is the ideal way to pass the time! **Howard:** Yeah, it's been great fun and wow, her body is amazing! She's so much smaller than I thought she would be – she looks like a beautiful Barbie doll. She told me she's been out running loads recently and it definitely shows – her stomach is so tight and toned! ➔

Reade: Ah, you're so sweet! I was lucky enough to cop a feel of the famous Howard breasts, and they're every bit as good as you'd think! They're really big and pert, and really firm and squidgy. They make you want to squeeze them all day long. Well, that's how they made me feel, anyway!

Howard: I'm not normally a fan of fake boobs, but Sophie's are a ten

out of ten! They're just really squeezable and I must admit, I did have a little grope when the photographer wasn't looking! Big boobs are great, aren't they? Nothing can beat a good t-t-w*nk with an amazing pair of boobs, so I reckon our shoot today would be most guys' fantasy!

Blimey! Speaking of men, do you prefer blond or brunette lads?

Howard: I think I prefer brunette blokes, because I love eyebrows! Sometimes, you can't see blond men's eyebrows and I'm not so keen on that. I must have a fetish or something! Ha-ha!

Reade: Me, too! I couldn't go out with a blond bloke because we'd look like twins. I like my blonde hair to make me stand out in a crowd, and if I had a bloke as

"Our shoot would be most guys' fantasy!"
Sophie R

Her knickers made a handy thumb rest

fair as me, I couldn't stand out as much! So I think I'll give my vote to the brunettes as well.

You girls both like to party, so can you give the *Nuts* readers your best tips on how to deal with a killer hangover?

Howard: You've got to drink lots of water, then eat something really stodgy to soak up the acid from the night before. Pizza is

definitely my favourite hangover cure – it works every time.

Reade: Or you could just get another couple of beers in and stop complaining! I reckon the ultimate cure has to be a full English breakfast with beer on the side – that works for me. Don't fight the hangover, just put it off until tomorrow – that's my motto and I'm sticking with it!

We'll give it a go! Thanks, Sophies. Finally – and most importantly – you used to be in the Salvation Army, Sophie Howard. Does that mean you've played a trombone?

Reade: Ooh, I'd really love to be able to play the trombone. They look like so much fun.

Howard: I have, actually! When I was in the Salvation Army, they

tried to get me to play the trumpet but my lips were too big, so they moved me onto the trombone instead. I was much better at that. I'm very good at the trombone action! But whenever anyone gets a trombone in their hands, all they want to do is play the *Johnny Briggs* theme tune, isn't it? That's what I wanted to do, anyway! Ha-ha! ■

Chloe!

Hi Chloe! How does it feel to be Nuts' Next Top Model? It's really exciting! I can't wait to see how I look in the magazine, and to show it off to all my friends - they're even more excited than I am.

Tell us a bit about yourself. Well, I'm quite active - I love skiing and dancing. I love the snow - as soon as it falls, I'm out in it. I want to go out in it in my bikini some time!

What makes you stand out? I've got a petite figure - I'm 5ft 5 - but my breasts are unusually large! They're 30E. You don't get that very often. My bum is probably my best feature, though. It's small and peachy!

What's more important in a bloke - good looks or a sense of humour? A sense of humour. Looks don't matter to me half as much as a nice personality.

What kind of underwear makes you feel sexiest? I like to wear French knickers. If I'm wearing a thong, it has to be very teeny to show off my bum! I also like the whole knee-high socks thing. But if I want to look really sexy, I'll wear stockings and suspenders.

What's your naughtiest story? A couple of years ago, me and my friend went out in just vests and shorts in the middle of winter and

made a snowman. We were very long, but we still are! Thanks, Chloe. Will we see you in Nuts? I hope the readers like me enough to want to see more of me!
